# Overworked Women.

Fatigue is the natural result of hard work, but exhaustion results from weakness.

Hard work for a weak woman is traffic in flesh and It makes little difference what the field of work is,

whether at home or elsewhere, if there is weakness, work brings exhaustion. Ability to stand the strain of hard work is the privi-

lege of the healthy and robust. How our hearts ache for the sickly women that work

for daily bread at some ill-paid factory employment! How distressing also to see a woman struggling with her daily round of household duties, when her back and head are aching, and every new movement brings out a

new pain!

If the mere looking on at these suffering women touches our hearts, how hopeless must life be to the women themselves?

Their devotion to duty is a heroism which a well person cannot understand.

Can these ailing, weak women, who are called upon to do work which would tire a strong man, be made to see that they can easily and surely better their condition I

Will not the volumes of letters from women made strong by Lydia E. Pinkham's Vegetable Compound, convince them of the virtues of this medicine?

How shall the FACT that it WILL HELP THEM be made plain ! When a medicine has been successful in more than a million cases, is it justice to yourself to say, without trying

it, "I do not believe it would help me"? Surely you cannot wish to remain weak and sick and discouraged, exhausted with each day's work. You have some derangement of the feminine organism, and Lydia E. Pinkham's Vegetable Compound will help you just

as surely as it has others. Read the letters from women in the opposite column of this paper, and when you go to your drug store to buy this sterling medicine, do not let yourself be persunded to accept the druggist's own valueless preparation because it is a few cents cheaper than

Lydia E. Pinkham's Vegetable Compound.

### Evidence of Mrs. Pinkham's Cures.

DEAR MRS. PINKHAM: -One year ago I read a letter in a paper telling how much good on an had derived from Lydia E. Pinkham's Vegetable Compound. I had been sick all winter

and was nearly discouraged, as the medicine the doctor gave me did me no good. I had kidney complaint, leocorrhoea, itching, bearing down feeling, and painful menet-untien. I wrote to you describing my trouble and soon received an answer telling me what to do. I followed your instructions, and have taken nine bottles of Vegetable Compound and used one package of Sanative Wash and one box of Liver Fills. I am well now, do not have those sick spells at the monthly period, but can work all day, and that I never could do until I began taking the Compound. I cannot praise the Compound too highly. I do hope every suffering woman will learn of your remedies and be cared as I have been. I wish all success to the Compound; it has done wonders for me and I am so thankful."—MES. GENIE KELLOGO, Berlin Heights, Ohio. ing my trouble and soon received an answer telling me what to do. I followed your instructions, and

"DEAR MRS. PINEHAMI-I wish to let you know that Lydia E. "DRAB MRS. FINEBAN:—I wish to let you know that Lydia E., Pinkham's Vegetable Compound has cured me of painful menstruation from which I suffered terribly. I really believe that I would be lisane to-day if it had not been for your medicine. I cannot praise your Compound enough, and feel that if all who suffer from female troubles would put themselves under your care and follow your advice they will find relief.—MISS E. E. SCHOLTES, Mt. Oliver, Pittaburg, Pa.

"DEAR MRS. PINZHAM :-- For eight years I have suffered with inflammation of the womb and bladder, profuse and painful menatruation, and at times it seemed as though I should die. I doctored most of the time, but seemed to fail crary year. A short time ago I began to take Lydis E. Pinkham's Vegetable Compound, and, thanks to your wonderful medicine, I am to-day a well woman. Your medicine is woman's test friend. —MRS. L. L. TOWNE, Littleton, N. H.

"DEAN MES, PINEHAM:—I suffered for six years, sometimes being unable to get about at all. It seemed to me as though I could not live, and I did not care to. I had womb trouble, kinner trouble, lemourhoss, buckache, was nervous, and had no ambition. Was obliged to give up. my trade. I tried three doctors, but they did me no good, so I thought I would try Lydia E. Pinkham's Vegetable Compound. I did so, and I felt better after the first bottle, and by the time I had taken sin I was able to resume my work again. I shall always praise your Verstable Compound. —MRS. MARY A. RUSSELL, Chineotengue Island, Va.

"Dram Mrs. Premami—I was sick for seven years without any relief, although treated by two of the very best doubters in this city. A few years ago I was nothing but a living skeleton. The doctor said my heart was the cause of all my sickness and that I comid only be relieved, but never get well. Sometimes I would get so exhaunted and short of breath that I would not know what to do. My nerves were very weak, blood impure. Was troubled with hands and feet swelling; also had lesson-rhow. I have taken six bottless of Lydis B. Pinkham's Vegetable Compound and feel well comes more. I have gained twenty-sowen pounds and am able to work all day in the store and do not feel tired when I gut home at night. Words cannot express my gratuated to Mrs. Pinkham for what her medicine has done for the "PETRA M. LOVA. care of L. Wolfson, San Amonio, Texas." "DEAR MES. PERERAM:-I was sick for
